

Die Weihnachtszeit mit uns genießen. Wir freuen uns auf Sie!

Share and enjoy the **Christmas spirit** this year with family, friends and colleagues at the Mondrian Restaurant and Hotel Hohenstaufen or with Mondrian Catering!

And the festive season starts even earlier for us – with **delicious goose** dishes from 11 November. Goose with dumplings, red cabbage, baked apple and more. Please allow three days' notice when making your reservation.

At “**Winningen im Lichterglanz**” on the first weekend of Advent (28–30 November 2025), we traditionally get into the festive spirit with bratwurst, pulled pork, kidney goulash and more. Come and join us! We are located right on the market square in our festively decorated wooden hut.

We would be happy to arrange your private or company Christmas party in our restaurant or exclusively and undisturbed in the separate event rooms of our hotel.

For **Christmas parties of up to 15 people**, you can choose à la carte from our menu or our Christmas recommendations. For larger groups, we are happy to offer a coordinated menu from our Christmas recommendations or a Christmas buffet. On request, you can also put together your own individual 3- to 5-course menu, including a sparkling wine or mulled wine reception.

You can also enjoy vegetarian or vegan dishes at our restaurant. We offer a variety of delicious vegetarian and vegan starters, main courses and desserts. Our wine and drinks menu features a selection of regional and international wines and spirits, leaving nothing to be desired. For a winter Christmas evening with us, we also recommend our wonderful hot drinks and punches from mid-November onwards – homemade mulled wine, chilli chocolate and more.

If you would like to accompany your event with a supporting programme, you are welcome to book one of our event rooms with modern presentation technology.

To enjoy everything in an even more relaxed manner, you are also welcome to combine your celebration with an overnight stay at our Hotel Hohenstaufen.

Would you prefer to celebrate in your own premises, but lack the culinary accompaniment? We will take care of everything from a large buffet to finger food variations with catering tailored to your individual wishes and budget, ensuring that your celebration is a delicious success so that you can relax and focus on the most important thing – your guests. Contact us and discuss the details with our head chef Robert Hertling.

With our **Christmas recommendations** and our **festive goose**, we offer you something very special in the run-up to Christmas, and we are also there for you on **Christmas Day and Boxing Day**. We look forward to welcoming you!

Enjoy our **à la carte brunch** on both Christmas days with lots of festive delicacies, or our **Christmas specials** in the evening in addition to our well-known dishes with family and friends in a relaxed and cosy atmosphere.

Celebrate **New Year's Eve** with us! We look forward to welcoming you to our Mondrian restaurant for an **exclusive 5-course meal with aperitif** and would like to enjoy the last evening of the year with you with culinary delights. On **New Year's Day**, we will start the new year in a relaxed manner with an **à la carte brunch**.

At www.mondrian-koblenz.de/gans-weihnachten-und-silvester, we have also compiled all the information you need about Gans Genussvoll, Christmas and New Year's Eve. There you will find our opening hours and can conveniently reserve a table or enquire about hosting your event with us. We will be happy to advise you and arrange your celebration for you.

Give the gift of joy: surprise your family, friends or team with a very special experience and give them one of our packages or a restaurant voucher for a culinary treat! Feel free to take a look at our online shop at www.hohenstaufen.de/shop.

Do you have family and friends visiting during the Christmas season whom you would like to accommodate? Then book one, two or more rooms with us and experience Koblenz at its most atmospheric with a visit to the Christmas market and the Christmas Garden at Ehrenbreitstein Fortress – and you can do so until 4 January 2026.

We look forward to welcome you during the festive season and look forward to spending the most wonderful time of the year with you.

Warm regards,
Horst Thelen & Team
