# KOBLENZ ERLEBEN!

 A black silhouette of the Koblenz skyline is positioned at the bottom of the page. It features various architectural elements including a cathedral with a tall spire, a clock tower, a bridge with arches, and a statue of a rider on horseback. The skyline is set against a white background.

The dynamics of a conference event also depend on team spirit, which has a motivating effect. Set an exclamation mark for the success of your event with a team event. Koblenz offers a wide range of options for this. We have put together four of them for you.

## Strengthen team spirit

Friendly competition promotes team spirit and commitment to common goals. As a team-building activity, bowling offers the ideal mix of fun, interaction and cooperation. Anyone can take part, regardless of age or fitness level, and enjoy it immediately. We organize your bowling experience and you focus on the essentials - having fun together and reigniting your team dynamic.

## Experience history

Discover and get to know one of Germany's oldest cities together. A two-hour tour through the historic old town takes you to important sights such as the Kaiser Wilhelm Monument at the Deutsches Eck, the Electoral Palace, St. Castor's Basilica, the Schängelbrunnen fountain and the modern Forum Confluentes. The tour is both informative and entertaining and offers an insight into the diverse history of Koblenz.

For nature lovers, there are numerous walking, hiking and cycling trails along the Rhine and Moselle in Koblenz and the surrounding area that lead through beautiful landscapes.

### Enjoy wine culture

Immerse yourself in the world of wine on a guided wine cellar tour. An experienced winemaker will show you the winemaking process from the grape to the bottle. Afterwards, you can taste a selection of the best wines, accompanied by delicious snacks. The excursion is not only educational, but also offers the opportunity to get to know each other better in a relaxed atmosphere. Don't miss this opportunity to strengthen your team in a natural and relaxed environment.

### You want to aim high!

We will be happy to organize tickets for the cable car ride and admission to Ehrenbreitstein Fortress, one of our city's most famous sights. Enjoy the breathtaking view during the ride and discover the historic fortress with all its treasures.

We can also recommend numerous sights and unique places of interest in Koblenz and the surrounding area. Contact us to organize your event according to your wishes. We look forward to supporting you in the planning and realization of an unforgettable event.

## Shaping the future together: greener, better, more sustainable.

We attach great importance to sustainability and regionality and thus the continuous reduction of our ecological footprint. Therefore, we would like to briefly introduce you to the measures that will enable you to enjoy an environmentally conscious stay with us. Thanks to our central location and optimal connections to local and long-distance transport, we are your ideal partner for environmentally friendly travel. Our hotel relies on energy-efficient technologies and resource-saving materials. This includes LED lamps throughout the hotel, state-of-the-art HD televisions, water-saving taps and the use of sustainable packaging from Koalapapp. By purchasing products from local businesses, we not only guarantee fresh, high-quality ingredients, but also support the regional economy and help to reduce environmentally harmful emissions. The consistent avoidance of food waste, waste separation and recycling are a matter of course for us. For example, we have set up recycling stations on every floor and in the conference rooms. By displaying appropriate notices in public areas and in the rooms, we promote our guests' awareness of the need to treat our environment and its valuable resources responsibly. Our partner for hotel laundry and our regional brewery are climate-neutral and are involved in many climate protection programs.

Let us convince you of our environmentally conscious commitment and service at your conferences.

### Arrival and departure

Check in: from 14.00 hrs

Check out: until 11.00 am

### Reception

We want to ensure that your stay is as pleasant and smooth as possible and are there for you around the clock.

### Lobbit

Lobbit - your digital concierge - is also there for you around the clock. You can experience our Lobbit with any touch-enabled device and access our services and information at any time.
